

Dear Applicant:

Thank you for your interest in a scholarship offered by the T. Mark Fay Foundation. We are pleased that you are potentially interested in a career in claims.

Unlike other scholarships, our program offers more than money. We offer ourselves as mentors during your last two years of undergraduate work and as job coaches after you graduate.

We believe that the insurance claims business is an exciting and rewarding career for the right person. It combines the inquisitiveness of a detective, the thought process of an attorney and the interpersonal skills of a counselor. Throw in the need to be able to establish the value of everything from a “shoestring to a skyscraper” and you have an intellectually challenging, ever-changing work life. And one we hope you will love!

Please review and complete the application material enclosed. All applications must be received by mail and postmarked no later than August 1.

Good Luck!

Sincerely,

T. Mark Fay
President
